

POSITION: Key Worker – Speech Pathologist - Early Childhood Intervention Services

REPORTS TO: Manager/Team Leader – Early Childhood Intervention Services

DATE UPDATED: August 2019

ORGANISATIONAL ENVIRONMENT

Melbourne City Mission (MCM) is a leader and innovator in the provision of services to the community. Established in 1854, Melbourne City Mission is a non-denominational organisation that supports thousands of Victorian people and communities to overcome barriers and disrupt disadvantage to live their life, their way.

As a service provider Melbourne City Mission's work is focussed on supporting people to take charge of their own lives and participate fully in community life. Melbourne City Mission's service profile includes: Children, Youth, Adult and Family; Disability; Employment, Education and Training; Homelessness; Justice; and Palliative Care.

As a social change agent Melbourne City Mission advocates for social policy change and works across all sectors in seeking to achieve sustainable outcomes for communities experiencing disadvantage.

JOB CONTEXT

The Early Childhood Intervention Program is a specialist service for families of children with developmental delay/disabilities. Early Childhood Intervention is based on the importance of maximizing interventions in the early years to achieve optimum outcomes in later development.

We work in partnership with families, valuing their skills, knowledge and involvement. We respond to their needs and choices by providing support, information and resources.

The Key Worker will deliver quality services and supports within a social insurance model that is focused on achieving outcomes and return on investment. The support delivered will be mutually agreed on by parent/caregiver and service, based on individual child goals and a clear family support plan.

JOB PURPOSE

The Key Worker will work as part of a team in a trans-disciplinary model of service delivery. The position is responsible for providing specialist support and service provision to children with a disability or developmental delay and their families, in order to promote development, well-being and community participation. The role will operate in partnership with parents/caregivers, families and other significant stakeholders to enhance their knowledge, skills and supports to meet the needs of the child. The Key Worker will promote and optimize the child's learning and development to ensure full and active participation in family and community life. They will implement service provision under the National Guidelines on Best Practice for Early Childhood Intervention Services and relevant NDIS guidelines.

- The ability to demonstrate occupational therapy specific competencies in understanding and analysing the ability of the child in the areas of fine and gross motor, sensory processing, self-care, emotional regulation and equipment needs.
- Work to fulfil service agreement plan set between MCM and the family.
- Provide support to children and families through home visits, integrated education settings, community support, group focused programs and broader early childhood and school settings.
- Ensure support to children and families is culturally responsive and reflective of the community in which they are a part.
- Assess, develop and implement planning, therapy and other support strategies to achieve high quality outcomes for the child and family.
- Monitor, evaluate and clearly define child goals to ensure service effectiveness and continuous improvements through regular review.
- Work closely to engage with other Key Workers within the team to deliver high quality integrated therapy supports as stipulated in service agreement.
- Develop and maintain effective collaborative relationships with key stakeholders with a focus on integrity, respect and accountability.
- Provide support, consultancy and training to broader generic early childhood programs to ensure inclusive practice within the community.
- Provide ongoing feedback through progress notes, reports and discussion with families/carers in a timely and effective manner.
- Participate in MCM's initiatives, professional development program and professional networks to ensure the highest standard of practice is maintained.
- Uphold professional standards by demonstrating best practice and keeping abreast of practice developments, government policy, NDIA policy and statutory requirements
- Assist with the evaluation and analysis of discipline specific guidelines, policies and procedures, as required.
- Adopt a risk management approach to problem solving to assist in identifying issues which may have ramifications for the child, family or broader community in which we work.
- Participate in quality improvements and OH&S practices and initiatives as stipulated by MCM policy and guidelines.
- Ensure services are delivered within the framework of MCM's policies and procedures, legislative requirements, and meet the relevant service standards.
- Ensure own professional development needs are identified and updated as required, whilst maintaining and updating discipline specific skills.
- Participate in supervision regularly.
- Contribute to the supervision of discipline specific students, as required.
- Other duties as directed by the Team Leader.
